

SESSION 3

Talk about me

We each bring something different to this world. When we serve God, we each bring something different. What do you think are two things which you bring?

Talk about the course

1. Several times during the course we have thought about asking from God. What thoughts or questions do you have about this?
2. Has anything stopped you asking from God?
3. Can you tell us about a time when God answered your prayer?
4. What is one thing you are asking for at present?
5. Can you tell us about any change in your prayer life since you began this course?

Pray

Today we are going to ask boldly. Fervently. With big faith.

We are going to ask personally. Passionately.

Don't hold back. Don't be shy. 'Let your requests be made known to God.'
